

Training & Presentation Skills

Introduction:

Drawing on their vast experience in this field, Fraser and Associates have developed this course to allow anyone who required to give presentations and/or training to other at work. Supported by tutor input, guidance, support and feedback, participants are required to plan, prepare and evaluate practice sessions including impromptu speaking, in a supportive and safe learning environment.

Intended for:

All personnel who are required to give presentations or provide training sessions to others.

Prior Knowledge: No prior knowledge or training is required.

Course Duration: 6 - 8 hours (Delivered in Modules by agreement)

Numbers: Maximum 12(Due to the high levels of interactivity required)
